

Killearn Estates is again a vibrant Golf Course Community!

It is with pleasure that KHA informs you that Killearn Golf Properties LLC (KGP) closed on the purchase of Killearn Country Club (KCC) from Palmetto Club Properties LP on August 28, 2020.

The purchase by KGP was the culmination of 19 months of continuous effort by many people and organizations.

KGP assumed management of all aspects of the KCC operations earlier in the year. Immediately, they invested to improve the golf course, tennis courts and pool amenities.

In addition to golfing on The Championship Course, considered one of Tallahassee's finest, family entertainment, wine pairing events and tennis camps are some of the activities the growing KCC membership is already enjoying.

The 19th Hole offers weekly specials and we hear, one of the best breakfasts around our area.

As the new owners continue making enhancements to all areas of the Club, KHA will share their updates with you.

Killearn Country Club provides great value to the entire Killearn Estates community. KCC's success depends on a broad base of support. Please consider joining and spread the word to your friends and neighbors. Give them a call at (850) 692-3942, visit killearncc.com or our Killearn.org for links.

Congratulations to Killearn Golf Properties and all the residents who participated to help guarantee its success.

Gloria M. Arias, KHA Vice President
Communications Chair
